The D Console

The demilune console table is a crescent-shaped design which has strong roots in the Neoclassical era, featuring an incense burner on the front face, elaborate swags and scrollwork motifs. Because of its dimensions, the design is well-suited to spaces such as vestibules and stairwells.

The Scarabia

*A pure rosewood foyer table with a scarab motif adorning the centre.
The Scarabia employs alternating grains and hues in the most effective
and artful manner resulting in a truly unique masterpiece.*

The Medieval Affair

This renaissance inspired mirror is an ode to the tremendous marquetry skills and aesthetic of the 17th century. With our very own artisans bringing this skill to life, in a hypnotic masterpiece.

The Andalusia Mirror

The Spanish influence shows clearly in this spectacular piece. Multiple wood genres are used in creating this scene of an arched entryway, leading to a mirror. The attention paid to perspective is remarkable, as is visible in the leading lines of the chequered floor and the columns of the arches.

The Grand Burlwood Foyer Table

A statement piece, this rosewood creation features a faint circular grain inlay. The base of this table is a prominent feature with its elaborately carved podium base and its clawfeet.

The Greco

A pure rosewood and burlwood marquetry masteripece, with a Grecian style aquatic border adorning the table top. The Greco rests firmly on fluted columns ending on a solid shelf base.

The Nautica Endtable

Taking inspiration from a Compass, the Nautica endtable features a top with a central motif of a compass crossed with a star. The top also features fluted corners and smoothly curving cabriole legs with hoof feet.

The Nautica

A take on the Nautica endtable. This pure rosewood coffee table adds a statement to the room. Features dark and light contrasts on the Nautical compass design and rests on curved cross legs with brass feet.

The Titus

A grand dining table with a stately stadium inlay design. The base is a solid rectangular podium with trestle supports. This gorgeous dining table has an ornate finish with gold edging and fluted elements along the sides and base.

Hexaresque Endtables

A strong podium base with scroll feet and spider arms, supports the unusual top of the hexaresque foyer table. The top itself is an artisanal masterpiece, with a multihued pattern featuring a central flower and scrolls and leafs, set inside a hexagonal border offset from the edges.

The Grand

The Grand Pinwheel Table features a top with a large pinwheel medallion at its centre, sitting on top of curved cross legs. A uniquely beautiful dining table, the grand pinwheel table uses multiple hues to its advantage, resulting in a vibrant finish.

The Pinwheel Endtable

This beautiful table crafted in rosewood features a masterful floral border inlay set around a central pinwheel medallion. The tapered legs lead to a circular base with a concentric inlay design.

Diamond Pinwheel Coffee Table

This rosewood coffee table has a pinwheel inlay design surrounded by a motif of leaves and swirls that perfectly complement the diamond frame at its centre. The design is finished off with scroll feet beneath curled legs.

The Grecian

This rosewood trunk features a Grecian style motif inlay, cameos are inlaid along the facade of this desk flanking the client's initials.

Canasta Inlay Table 1

A marvel of inlay art, the Canasta table has a top that shows an elaborate pattern created using three species of wood for the inlay pattern. Using a deck of cards as inspiration, both versions of the table feature the same design with different color combinations.

Canasta Inlay Table 2

A marvel of inlay art, the Canasta table has a top that shows an elaborate pattern created using three species of wood for the inlay pattern. Using a deck of cards as inspiration, both versions of the table feature the same design with different color combinations.

Malaga Inlay Table

The Malaga inlay table has a top that features marquetry with contrasting colors and an overarching floral theme, the Malaga stands atop a spiral column ending in podium feet.

19th Century Dutch Cabinet

This corner cabinet is handcrafted in pure rosewood with elaborate marquetry featuring rosettes and floral motifs with a central urn feature on the cabinet door. The cabinet has rounded edges and sits atop bracket feet divided by a ledge from the main body.

Louis XVI Chest

This french style chest is made of pure rosewood. A marble top and marlborough legs finish off the look of this simple yet elegant chest of drawers.

Louis XVI Bureau

The details of this bureau reflect the expertise of our artisans, featuring an inlay honeycomb pattern. This bureau is handmade using pure rosewood and features cabriole legs with claw feet. A testament to good taste, it will seamlessly blend into any space.

The Magda Chest

A pure rosewood chest of drawers with floral and leaf elements set inside a lighter colored inlay frame. The Magda rests atop slender cabriole legs that add a delicate look to an otherwise solid chest of drawers.

French Rococo Carved Endtable

This end table is hand carved from rosewood and features a French Rococo design. The classic design features cabriole legs that end in scrolls atop cylindrical stubs.

Rosewood Nesting Tables with Fan Marquetry

*This is a set of four Rosewood nesting tables.
Featuring a frame inlay with fan corners, the trestle style bases
add a sturdy element to the nested set.*

Fluer et la Papillion Folding Tables

This set of tables can fold out and be stashed away vertically. The botanical inspiration for the top depicts a butterfly approaching a flower.

Dunant Console

Rosewood console with a simple inlay displaying a rich grain. A stretcher is added to the lower part of this console in place of a shelf, with the medallion element at its centre.
